

Mastering Leadership Through People and Innovation

Duration: 5 Days

Language: en

Course Code: MG2-149

Objective

Upon completion of this course, participants will be able to:

- Cultivate winning relationships through the development of social skills.
- Enhance personal effectiveness by embracing innovative and efficient practices.
- Resolve conflicts constructively using effective negotiation techniques.
- Foster a team-oriented mindset and promote collaboration within their teams.
- Demonstrate initiative and leadership skills in their current roles.

Audience

This comprehensive course caters to a diverse audience, including:

- Professionals seeking to enhance their teamwork and leadership skills.
- Team leaders, supervisors, section heads, and managers aiming to improve their

management capabilities.

- Employees aspiring to transition into management roles.
- Technical and administrative professionals interested in broadening their skill set and advancing their careers.

Training Methodology

This course employs a comprehensive, interactive learning approach designed to blend theoretical insights with practical applications. Participants will engage in dynamic activities, including role-playing, group discussions, and hands-on exercises to develop leadership and innovation skills. Real-world case studies and scenario-based tasks will allow attendees to practice conflict resolution, team building, and innovative problem-solving. Reflective practices and self-assessment tools will help participants evaluate their personal growth and effectiveness. This multifaceted methodology ensures participants have actionable strategies to enhance their leadership and inspire team excellence.

Summary

This course offers a transformative journey towards accomplished leadership, emphasising the pivotal roles of people management and innovation. Participants will explore strategies to build winning relationships, enhance personal effectiveness through innovation, and resolve conflicts constructively. By blending theory and practical exercises, attendees will develop the skills and mindset necessary to lead with initiative and inspire team excellence.
